September 2015**

The Mississippi Retired Public Employee Association (MRPEA) represents approximately 161,360 active members and over 93,504 retirees and beneficiaries of the Public Employees Retirement System of Mississippi (PERS). As a candidate for the office of Attorney General this year, we are providing you with an opportunity to respond to this brief survey. Please scan your signed and completed survey to the attention of Becky Cade at cade.consulting@att.net. If you prefer to fax, please fax it to 1-601-510-9259. **MRPEA may distribute the results of the survey to its members and other interested parties without restriction.**

With the creation of the Public Employees' Retirement System of Mississippi (PERS) in 1952, the Mississippi Legislature made a promise to its public service employees to provide them with basic financial retirement protection for life.
