The Mississippi Retired Public Employee Association (MRPEA) represents approximately 142,635 active members and over 99,483 retirees and beneficiaries of the Public Employees Retirement System of Mississippi (PERS). As a candidate for the PERS Board Retiree Representative this year, we are providing you with an opportunity to respond to this brief survey. With the creation of the Public Employees' Retirement System of Mississippi (PERS) in 1952, the Mississippi Legislature made a promise to its public service employees to provide them with basic financial retirement protection for life. In exchange, employees were mandated to pay into the retirement system in good faith with the expectation that the State would meet its promise to help fund those benefits.
